## WHO ARE WE?

The Meriden Humane Society is a non-profit, no kill animal shelter and rescue facility. We are an active rescue partner; often helping in high risk cases and assisting owners who are no longer able to care for their pet.

Our organization is privately run and operated and is supported by patrons and residents who donate to our facility. We receive no funding from the State of Connecticut and are not affiliated with The Ct. Humane Society. Without the help we receive from the citizens of our community and surrounding communities, we would not be able to save all the animals that we do.

311 Murdock Ave  
Meriden, Ct 06450

## Our Mission

We believe it is our moral responsibility protect/improve the lives of animals in our care and to place them in loving permanent homes.

We can help the animals in our care by providing necessary medical care, sterilizations, consistent training, and a safe and healthy environment with unconditional love. These are critical for ensuring we set them up for future successes.

We are committed to working collectively with others who share our dedication and passion for the voiceless.

We are committed to helping our Community Members by providing food/supply assistance, education on the importance of pet sterilization, responsible pet ownership, disease control, humane treatment of animals, and resources to assist with a variety of challenges faced as a pet owner.

## OUR SERVICES

Our staff and volunteers take pride in the care provided to each of our animals. The love and dedication is unwavering and unconditional. Each application is thoroughly reviewed by our dog and cat team members to find the best next chapter for each of our animals. If you would like an application for either a cat or dog adoption, please visit our website <https://www.meridenhumanesocietyrescue.com>
